---

Saturday, December 19th took place the traditional evening employees of the company Top Nett Monaco, working at the Marriott Hotel. In a room loaned by the hotel, 80 people, mostly of Philippine origin, shared a buffet prepared by the filipinos employees. Dances and traditional games have delighted those present. Children but also adults could win prizes, before ending up around a karaoke.

[&gt; Here you will find pictures of the evening.](#)

*If you also have celebrated Christmas in Europe, send us your text and pictures and we will publish them for free!*
